

### **Crouse Health Hospital Procedure on Illness/Communicable Disease**

As a resident providing care to patients at Crouse Health Hospital, you are required to help maintain a safe environment. In the event that you become ill, you shall not attend to patients.

Please seek health care from your host institution resources or your primary care physician.

If you are diagnosed with a communicable disease, you must immediately contact your program director.

Acceptable documentation of medical clearance will be required prior to returning to Crouse Health Hospital and should be provided to your program director and Medical Staff Administration located on 6 West Tower.
